Order is amended as follows:

After consideration of the application, other evidence of record, and being otherwise sufficiently advised, the Commission finds that the transfer of 51 percent of Gasco's issued and outstanding stock in accordance with the Buy-Sell Agreement included with Gasco's application is for lawful objects within Gasco's corporate purposes and is necessary and consistent with the public interest.

2. All other provisions of the Commission's September 5, 1997 Order remain in full force and effect.
