### COMMONWEALTH OF KENTUCKY

### BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE IMPLEMENTATION OF LOCAL NUMBER PORTABILITY

ADMINISTRATIVE CASE NO. 371

#### ORDER

On April 2, 1998, the Commission notified BellSouth Telecommunications, Inc. ("BellSouth") of those Louisville MSA exchanges identified by competitive local exchange carriers ("CLECs") as ones in which CLECs intended to provide facilities-based services. Accordingly, those exchanges must be equipped for local number portability.

Some telecommunications carriers were not served a copy of the Commission's initial Order. The Commission required these carriers also to supply the local number portability information. The central offices in Attachment A marked with "yes" are ones in which at least one CLEC needs local number portability.

The Commission, having been advised that BellSouth has herein received information necessary to equip its Louisville MSA offices for local number portability, HEREBY ORDERS that this case be closed.

Done at Frankfort, Kentucky, this 30th day of September, 1998.
