

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS )  
ADJUSTMENT FILING OF THE )  
UNION LIGHT, HEAT AND POWER ) CASE NO. 92-346-S  
COMPANY )

O R D E R

On August 31, 1993, in Case No. 92-346, the Commission approved certain adjusted rates for The Union Light, Heat and Power Company ("ULH&P") and provided for their further adjustment on a quarterly basis in accordance with its approved gas cost adjustment ("GCA") clause.

On April 30, 1998, ULH&P filed its GCA to be effective June 1, 1998 through August 28, 1998.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. ULH&P's notice of April 30, 1998 proposed revised rates designed to pass on to its customers its wholesale increase in gas costs. ULH&P's proposed expected gas cost ("EGC") of \$3.609 per Mcf includes a take-or-pay recovery component of 0 cent per Mcf.

2. ULH&P's notice of April 30, 1998 set out no current quarter refund adjustment. The total refund adjustment of 5.8 cents per Mcf is composed of previous quarter adjustments.

3. ULH&P's notice of April 30, 1998 set out a current quarter actual adjustment of (29.1) cents per Mcf to return over-recovered gas cost from December 1997 and January and February 1998. The proposed total actual adjustment of (10.6) cents per Mcf reflects the current over-collection, as well as under- and over-collections from three previous quarters.

4. ULH&P's notice of April 30, 1998 set out a current quarter balancing adjustment of 5.6 cents per Mcf to reconcile variances from previous actual, refund, and balance adjustments. The total balance adjustment of 6.6 cents per Mcf reflects the current, as well as the three previous, balance adjustments.

5. ULH&P proposed a Firm Standby Rate of \$1.272 per Mcf and an Interruptible Standby Rate of 66.0 cents per Mcf.

6. The combined effect of the above adjustments is ULH&P's gas cost recovery rate ("GCR") of \$3.511 per Mcf, 2.7 cents per Mcf less than the previously authorized rate.

7. ULH&P's adjustment in rates contained in the Appendix to this Order is fair, just, and reasonable, in the public interest, and should be approved effective with bills rendered on and after June 1, 1998.

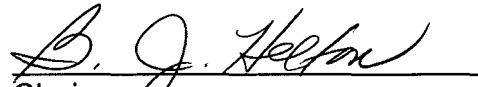

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are authorized to be effective with bills rendered on and after June 1, 1998.

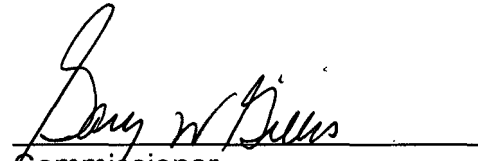

2. Within 30 days of the date of this Order, ULH&P shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 15th day of May, 1998.
