COMMONWEALTH OF KENTUCKY

BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

NOTICE OF PURCHASED GAS) ADJUSTMENT FILING OF COLUMBIA) GAS OF KENTUCKY, INC.)

CASE NO. 94-179-0

<u>order</u>

On November 1, 1994, in Case No. 94-179, the Commission approved certain adjusted rates for Columbia Gas of Kentucky, Inc. ("Columbia") and provided for their further adjustment on a quarterly basis in accordance with its gas cost adjustment ("GCA") clause.

On July 31, 1998, Columbia filed its GCA to be effective September 1, 1998 to November 30, 1998.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Columbia's notice proposed revised rates designed to pass on its expected decreased wholesale gas costs to its customers. Columbia's proposed expected gas cost ("EGC") for the quarter beginning September 1, 1998 is \$4.0012 per Mcf, a decrease of 11.25 cents per Mcf from Columbia's last EGC.

2. Columbia's notice set out a rate for Banking and Balancing Service of 2.06 cents per Mcf.

3. Columbia's notice set out no take-or-pay refund adjustment.

4. Columbia's notice set out no transportation take-or-pay refund adjustment.

5. Columbia's notice set out a current quarter refund adjustment ("RA") of .81 cent per Mcf to return \$139,973, including interest, to Columbia's customers. The total RA of 1.63 cents per Mcf reflects the current as well as previous quarter adjustments, and represents a 11.43 cent per Mcf change from the RA last approved for Columbia.

6. Columbia's notice set out its annual actual cost adjustment ("ACA") of 4.98 cents per Mcf to collect under-recovered gas cost from the twelve months ended June 30, 1998. The ACA includes off-system sales revenues to be returned to customers in the amount of \$3,080,055. The ACA is 14.71 cents per Mcf lower than the previous ACA.

7. Columbia's notice set out a six-month balancing adjustment ("BA") of (.17) cent per Mcf to reconcile variances from previous refund and balancing adjustments. The BA is 16.74 cents per Mcf lower than the previous BA.

8. Columbia's notice set out a Special Agency Service refund adjustment of .01 cent per Mcf, which remains unchanged from the prior rate.

9. The combined effect of the above adjustments is Columbia's gas cost recovery rate ("GCR") of \$4.0329 per Mcf, which is 31.27 cents per Mcf less than its previous GCR of \$4.3456 per Mcf.

10. The rate adjustments in the Appendix to this Order are fair, just, and reasonable, in the public interest, and should be approved for gas supplied on and after September 1, 1998.

11. Columbia requested confidential treatment of spot market data filed in support of its GCA. Publication of such information is likely to cause competitive injury to Columbia and should be protected.

IT IS THEREFORE ORDERED that:

The rates in the Appendix to this Order are fair, just, and reasonable, and 1. are effective for gas supplied on and after September 1, 1998.

Within 30 days of the date of this Order, Columbia shall file with this 2. Commission its revised tariffs setting out the rates authorized herein.

3. Columbia's request for confidential treatment of spot market purchase data is hereby granted.

Done at Frankfort, Kentucky, this 1st day of September, 1998.
