Pursuant to Commission Regulation 807 KAR 5:056, the Commission on July 14, 1997 established this case to review and evaluate the operation of the Fuel Adjustment Clause ("FAC") of Henderson Union Electric Cooperative Corporation ("Henderson Union") for the six months ended April 30, 1997.

As part of this review, the Commission ordered Henderson Union to submit certain information concerning its compliance with Commission Regulation 807 KAR 5:056. Henderson Union has complied with this Order. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that Henderson Union has properly calculated and applied its FAC charge.

IT IS THEREFORE ORDERED that the charges and credits applied by Henderson Union through the FAC for the period of November 1, 1996 to April 30, 1997 be and they hereby are approved.

Done at Frankfort, Kentucky, this 11th day of August, 1998.
