O R D E R

Pursuant to Commission Regulation 807 KAR 5:056, the Commission on December 11, 1997 established this case to review and evaluate the operation of the fuel adjustment clause ("FAC") of Jackson Purchase Electric Cooperative Corporation ("Jackson Purchase") for the 4 months ended September 1, 1997.

As part of this review, the Commission ordered Jackson Purchase to submit certain information concerning its compliance with Commission Regulation 807 KAR 5:056. Jackson Purchase has complied with this Order. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that Jackson Purchase has properly calculated and applied its FAC charge.

IT IS THEREFORE ORDERED that the charges and credits applied by Jackson  
Purchase through the FAC for the period May 1, 1997 to September 1, 1997 are approved.

Done at Frankfort, Kentucky, this 11th day of August, 1998.
