ORDER

On April 9, 1998, Dr. Albert F. Polk, Jr. ("Movant") filed a motion in this case requesting an extension of time in which to file a statement expressing intent to appear in opposition to the proposed site for a cellular facility. As grounds for his motion, Movant states that WirelessCo, L.P., the applicant in this matter, is currently investigating the feasibility of placing its proposed facility at an alternative location. Movant further states that WirelessCo, L.P. has no objection to the extension Movant requests.

The Commission finds that the motion is reasonable and that the parties hereto should be given additional time prior to the hearing to investigate potential settlement options. If no settlement is reached and Movant wishes to appear at hearing to oppose the proposed site, Movant should file, on or before April 27, 1998, his intention to appear at a hearing in this matter.

IT IS THEREFORE ORDERED that the motion for extension is granted as described herein.

Done at Frankfort, Kentucky, this 14th day of April, 1998.
