

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE TARIFF FILING OF BULLOCK)	
PEN WATER DISTRICT TO REVISE)	CASE NO. 98-125
TAP FEES FROM DEVELOPERS)	

O R D E R

IT IS ORDERED that Bullock Pen Water District ("Bullock Pen") shall file an original and 4 copies of the following information with the Commission within 21 days from the date of this Order.

1. Is the proposed tap on fee charge of \$475 the utility's currently approved connection fee?
2. Explain in detail why the district is proposing that developers install an individual water meter and pay a connection fee for each lot in the development.
3. State any problems that the district has experienced in collecting the connection fee from individual applicants.
4. Sheet 1 of the tariff concerning installation of meters is unclear as to who shall install the meters, the developer or the district. Please clarify.
5. Sheet 4, section 1(a) specifically requires one meter for each mobile home unit while Sheet 6, section 3(b) appears to be counter to eliminating all master metering. Please provide a clarification of these two sheets.

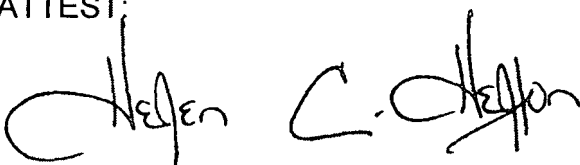

Done at Frankfort, Kentucky, this 15th day of July, 1998.
