This project will provide new service to 240 additional customers. Project funding is a \$470,000 bond issue to be purchased pursuant to an agreement with the U. S. Department of Agriculture's Rural Development ("RD"), a \$575,000 grant from the RD, and a \$350,000 Appalachian Regional Commission ("ARC") grant.

Green Hills District's application was made pursuant to KRS 278.023, which requires the Commission to accept agreements between water utilities and the U. S. Department of Agriculture or the U. S. Department of Housing and Urban Development and to issue the necessary orders to implement the terms of such agreements within 30 days of satisfactory completion of the minimum filing requirements. Given that minimum filing

1. Green Hills District is hereby granted a Certificate of Public Convenience and Necessity for the proposed construction project.

2. Green Hills District's proposed plan of financing with RD is accepted.

If the level of service is inadequate or declining or the pressure to any customer falls outside the requirements of 807 KAR 5:066, Section 5(1), Green Hills District shall take immediate action to bring the system into compliance with Commission regulations.

Nothing contained herein shall be deemed a warranty of the Commonwealth of Kentucky, or any agency thereof, of the financing herein accepted.
