ACT OF 1996)	

O R D E R

On October 22, 1998, GTE South Incorporated ("GTE") and Dakota Services Limited ("Dakota") submitted to the Commission their negotiated agreement for Dakota's purchase and resale of GTE's telecommunications services to end-users. The agreement was negotiated pursuant to the Telecommunications Act of 1996 ("1996 Act"), 47 U.S.C. Sections 251 and 252. Section 252(e) of the 1996 Act requires the parties to an interconnection agreement adopted by negotiation to submit the agreement for approval to the Commission.

The Commission has reviewed the agreement and finds that no portion of the agreement discriminates against a telecommunications carrier not a party to the agreement. The Commission also finds that the implementation of this agreement is consistent with the public interest, convenience, and necessity.

Dakota must comply with all relevant Commission mandates for serving in this Commonwealth.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS
that:

1. The negotiated agreement between GTE and Dakota is approved.
2. Dakota shall file a tariff for local service prior to providing local service giving 30 days' notice to the Commission and shall comply with all Commission regulations and orders as directed.

Done at Frankfort, Kentucky, this 9th day of December, 1998.
