

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS )  
ADJUSTMENT FILING OF WESTERN )      CASE NO. 95-010-RR  
KENTUCKY GAS COMPANY            )

O R D E R

On September 29, 1995, in Case No. 95-010, the Commission approved adjusted rates for Western Kentucky Gas Company ("Western"), with their further adjustment to be made in accordance with the monthly gas cost adjustment ("GCA") approved in the final Order in Case No. 92-558.<sup>1</sup>

On March 31, 1999, Western filed its monthly GCA to be effective from May 1, 1999 to June 1, 1999.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Western's notice proposes revised rates designed to pass to its firm sales customers an expected wholesale decrease in gas costs. Western's expected gas cost ("EGC") for firm sales customers is \$2.6368 per Mcf, a decrease of 9.66 cents per Mcf from the previous EGC. The EGC proposed for high load factor ("HLF") firm customers is \$2.0819 per Mcf.

---

<sup>1</sup> Case No. 92-558, In the Matter of Limited Rate Change of Western Kentucky Gas Company, Order dated November 20, 1995.

Western also proposes to pass to its interruptible customers a wholesale decrease in gas costs. Western's proposed EGC for interruptible sales customers is \$2.0819 per Mcf.

2. Western has no current quarter refunds to return to its customers. Total refund factors of 6.54 cents per Mcf for firm sales customers and 3.30 cents per Mcf for interruptible customers reflect adjustments from previous months. The total refund adjustment for firm sales customers is unchanged from the previous month's total refund factor.

Total refund adjustments for T-2 firm and T-2 interruptible transportation customers are 4.42 cents per Mcf and 1.18 cents per Mcf, respectively.

3. Western's notice sets out its 6-month correction factor ("CF") of (18.82) cents per Mcf which will remain in effect until October 1, 1999. The CF is designed to return net over-collections of gas cost from the 6-month period ending December 31, 1998. The CF is unchanged from the previous CF.

4. Western's notice sets out its Performance Based Rate Recovery Factor (PBRF) of 2.47 cents per Mcf to be effective for the 12 month period beginning February 1, 1999.

5. These adjustments produce gas cost adjustments of (\$1.0252) per Mcf for firm sales customers, (\$1.5801) per Mcf for HLF customers, and (\$.7659) per Mcf for interruptible sales customers. The impact on firm sales customers bills is a decrease of 9.66 cents per Mcf from the previous gas cost adjustment of (\$.9286).

6. The rate adjustments in the Appendix to this Order are fair, just, and reasonable, in the public interest, and should be effective for final meter readings on and after May 1, 1999.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix to this Order are fair, just, and reasonable and are approved effective for final meter readings on and after May 1, 1999.

2. Within 30 days of the date of this Order, Western shall file with the Commission its revised tariffs setting out the rates authorized in this Order.

Done at Frankfort, Kentucky, this 20<sup>st</sup> day of April, 1999.

By the Commission
