O R D E R

The Commission has issued numerous decisions in this docket setting the terms and conditions upon which the parties Interconnection Agreement must be based. However, due to the rapidly evolving legal environment, several final decisions on issues presented by the parties have not yet been rendered. The United States Supreme Court's recent decision in AT&T Corp. v. Iowa Utilities Bd., 119 S.Ct. 721 (1999) provides some stability to this area of the law. Accordingly, it is appropriate at this time to require each of the parties to this case to file, within 30 days of the date of this Order, its list of remaining issues to be resolved in this case. Each issue listed shall be accompanied by a concise explanation of the effect of the Supreme Court's decision in AT&T Corp. on that issue.

Upon receipt of the parties issues lists, the matter will stand submitted for decision.

IT IS SO ORDERED.

Done at Frankfort, Kentucky, this 26<sup>th</sup> day of March, 1999.

By the Commission
