ORDER

IT IS ORDERED that Louisville Gas and Electric Company ("LG&E") shall file the original and 8 copies of the following information with the Commission no later than June 28, 1999, with a copy to all parties of record. Each copy of the information requested should be placed in a bound volume with each item tabbed. When a number of sheets are required for an item, each sheet should be appropriately indexed, for example, Item 1(a), Sheet 2 of 6. Include with each response the name of the witness who will be responsible for responding to questions relating to the information provided. Careful attention should be given to copied material to ensure its legibility. When the requested information has been previously provided in this proceeding in the requested

format, reference may be made to the specific location of that information in responding to this Order.

1. Refer to LG&E's Response to the Commission's Order of April 12, 1999, Item 2. Describe the process that LG&E uses to assign fuel costs.

2. Refer to LG&E's Response to the Commission's Order of April 12, 1999, Item 3b(2). For each paired transaction listed, identify each component of Other Charges and the amount attributed to it.

3. Refer to LG&E's Response to the Commission's Order of April 12, 1999, Item 3a. Are the transactions that are noted as Purchased for resale considered a wheeling transaction as LG&E uses the term in its response to Item 7a to the Commission's Order of April 12, 1999?

4. Refer to LG&E's Response to the Commission's Order of April 12, 1999, Item 7.

a. (1) Would the transaction assumed in Item 7 be reported in the Power Transaction Schedule that LG&E files as part of its monthly fuel adjustment clause filing?

(2) If yes, how would the transaction be reported on the Power Transaction Schedule ?

b. (1) Would the transaction assumed in Item 7 be reported in any manner in any report that LG&E files as part of its monthly fuel adjustment clause filing?

(2) If yes, on what forms and in what manner would the transaction be reported.

5. List all customers for whom LG&E currently provides network integration transmission service under its FERC Open Access Transmission Tariff during the review periods and the amount of firm transmission capacity that LG&E has agreed to provide.

6. Refer to LG&E's Response to the Commission's Order of April 12, 1999, Item 20. Exhibit PMN-7R was omitted for the response. Provide Exhibit PMN-7R.

7. a. How does LG&E report for fuel adjustment clause purposes energy generated at the Trimble County Unit No. 1?

b. How does LG&E report for fuel adjustment clause purposes energy generated at the Trimble County Unit No. 1 that, based upon Indiana Municipal Power Agency and Illinois Municipal Electric Agency's ownership interest in that plant, belongs and is transmitted to those entities?

Done at Frankfort, Kentucky, this 16th day of June, 1999.
