O R D E R

On October 15, 1997, the Commission approved a resale agreement between BellSouth Telecommunications, Inc. (BellSouth) and OmniCall, Inc. a/k/a OmniCall International (OmniCall). On March 26, 1998, the Commission approved an interconnection agreement between BellSouth and OmniCall. On March 11, 1999, the Commission approved a renegotiated interconnection agreement between BellSouth and OmniCall. On July 29, 1999 and August 17, 1999, BellSouth and OmniCall submitted to the Commission amendments to their renegotiated interconnection agreement. The amendments were negotiated pursuant to the Telecommunications Act of 1996 (1996 Act), 47 U.S.C. Sections 251 and 252. Section 252(e) of the 1996 Act requires the parties to an interconnection agreement adopted by negotiation to submit the agreement for approval to the Commission.

The Commission has reviewed the amendments and finds that no portion thereof discriminates against a telecommunications carrier not a party to the agreement. The

Commission also finds that the implementation of the amendments is consistent with the public interest, convenience, and necessity.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that the amendments to the interconnection agreement between BellSouth and OmniCall are approved.

Done at Frankfort, Kentucky, this 6th day of October, 1999.

By the Commission
