O R D E R

On April 1, 1999, BellSouth Telecommunications, Inc. ( BellSouth ) and Home Phone Service, Inc. ( Home ) submitted to the Commission their negotiated agreement for interconnection of their networks, the unbundling of specific network elements, and the resale of BellSouth's services. On April 19, 1999 and May 18, 1999, BellSouth and Home submitted to the Commission amendments to their interconnection agreement. The agreement was negotiated pursuant to the Telecommunications Act of 1996 ( 1996 Act ), 47 U.S.C. Sections 251 and 252. Section 252(e) of the 1996 Act requires the parties to an interconnection agreement adopted by negotiation to submit the agreement for approval to the Commission.

The Commission has reviewed the agreement and the amendments and finds that no portion thereof discriminates against a telecommunications carrier not a party to the agreement. The Commission also finds that the implementation of the agreement and amendments is consistent with the public interest, convenience, and necessity.

Home must comply with all relevant Commission mandates for serving in this Commonwealth.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that:

1. The negotiated agreement and amendments between BellSouth and Home are approved.

2. Home shall file a tariff for local service prior to providing local service giving 30 days' notice to the Commission and shall comply with all Commission regulations and orders as directed.

Done at Frankfort, Kentucky, this 1<sup>st</sup> day of June, 1999.

By the Commission
