O R D E R

On August 19, 1999, BellSouth Telecommunications, Inc. ( BellSouth ) and Global Interactive Communications Corporation ( Global ) submitted to the Commission their negotiated agreement for collocation and resale of BellSouth's services to end-users. On August 30, 1999, BellSouth filed an attachment to the resale agreement which it inadvertently omitted from the original filing. On October 8, 1999, BellSouth and Global submitted to the Commission an amendment to their resale agreement. The agreement was negotiated pursuant to the Telecommunications Act of 1996 ( 1996 Act ), 47 U.S.C. Sections 251 and 252. Section 252(e) of the 1996 Act requires the parties to an interconnection agreement adopted by negotiation to submit the agreement for approval to the Commission.

The Commission has reviewed the agreement and amendment and finds that no portion thereof discriminates against a telecommunications carrier not a party to the agreement. The Commission also finds that the implementation of the agreement and amendment is consistent with the public interest, convenience, and necessity.

Global must comply with all relevant Commission mandates for serving in this Commonwealth.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that:

1. The negotiated agreement and amendment between BellSouth and Global are approved.

2. Global shall file a tariff for local service prior to providing local service giving 30 days' notice to the Commission and shall comply with all Commission regulations and orders as directed.

Done at Frankfort, Kentucky, this 20<sup>th</sup> day of October, 1999.

By the Commission
