

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)
ADJUSTMENT FILING OF LOUISVILLE)
GAS AND ELECTRIC COMPANY) CASE NO. 90-158-KK

ORDER

On January 27, 2000, the Commission issued its Order in this proceeding approving the rate adjustment proposed by Louisville Gas and Electric Company ("LG&E"). The Commission subsequently received information from LG&E that the Gas Supply Cost Component ("GSCC") in the Appendix stated its Expected Gas Cost of 32.514 cents per 100 cubic feet rather than its GSCC of 32.784 cents per 100 cubic feet.

Based upon a review of the information in the record, the Commission finds that the GSCC information was correctly stated in paragraph six of the Order but was incorrectly stated in the Appendix.

IT IS THEREFORE ORDERED, to be entered nunc pro tunc, that the GSCC of 32.784 cents per 100 cubic feet, as stated in the body of the Order for Case Number 90-158-KK, shall be the GSCC stated in the Appendix of the Order with an effective date of February 1, 2000. It is further ordered that the rates as set out in Appendix A of this Order are the correct rates to be charged by LG&E effective with bills rendered on and after February 1, 2000. Within 30 days of the date of this Order, LG&E shall file with this Commission its revised tariffs setting out the rates approved herein.

Done at Frankfort, Kentucky, this 8th day of February, 2000.

By the Commission

ATTEST:

Executive Director

APPENDIX A

APPENDIX TO AN ORDER OF THE KENTUCKY PUBLIC SERVICE COMMISSION IN CASE NO. 90-158-KK DATED FEBRUARY 8, 2000

The following rates and charges are prescribed for the customers served by Louisville Gas and Electric Company. All other rates and charges not specifically mentioned herein shall remain in effect under authority of this Commission prior to the effective date of this Order.

Gas Supply Cost Component

The total Gas Supply Cost Component shall be 32.784 cents per 100 cubic feet during the period covered by the bill.
