O R D E R

Pursuant to Commission Regulation 807 KAR 5:056, the Commission on December 9, 1999 established this case to review and evaluate the operation of the fuel adjustment clause ("FAC") of Licking Valley Rural Electric Cooperative Corporation ("Licking Valley") for the 6 months ended October 31, 1999.

As part of this review, the Commission ordered Licking Valley to submit certain information concerning its compliance with Commission Regulation 807 KAR 5:056. Licking Valley has complied with this Order. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that Licking Valley has properly calculated and applied its FAC charge.

IT IS THEREFORE ORDERED that the charges and credits applied by Licking Valley through the FAC for the period May 1, 1999 through October 31, 1999 are approved.

Done at Frankfort, Kentucky, this 9th day of March, 2000.
