O R D E R

On December 6, 1999, Sprintcom, Inc. ("Sprintcom") filed a motion to place its application for a certificate of public convenience and necessity in abeyance. As grounds for its motion, Sprintcom states it is in negotiations with SBA Towers, Inc. ("SBA") to collocate on SBA's tower.<sup>1</sup> The Commission finds that the grounds for the motion are reasonable and that the motion should therefore be granted. However, Sprintcom should file reports regarding the status of the negotiations.

The Commission, being otherwise sufficiently advised, and finding good cause, HEREBY ORDERS that:

1. Case No. 99-102-UAC is placed in abeyance until further orders of the Commission.
