O R D E R

On August 24, 1999, the Commission approved an interconnection agreement between BellSouth Telecommunications, Inc. ("BellSouth") and Healthcare Liability Management Corporation d/b/a Fibre Channel Networks, Inc. and Health Management Systems, Inc. ("Healthcare Liability Management"). On February 11, 2000, BellSouth and Healthcare Liability Management submitted to the Commission an amendment to their interconnection agreement. The agreement was negotiated pursuant to the Telecommunications Act of 1996 ("1996 Act"), 47 U.S.C. Sections 251 and 252. Section 252(e) of the 1996 Act requires the parties to an interconnection agreement adopted by negotiation to submit the agreement for approval to the Commission.

The Commission has reviewed the amendment and finds that no portion of the amendment discriminates against a telecommunications carrier not a party to the

agreement. The Commission also finds that the implementation of this amendment is consistent with the public interest, convenience, and necessity.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that:

1. The amendment is approved.
2. Within 10 days of the date of this Order, BellSouth shall file with the Commission a true and complete copy of the amendment approved herein in Microsoft® Word 97 format on 3.5-inch high-density diskette.

Done at Frankfort, Kentucky, this 3rd day of April, 2000.

By the Commission
