O R D E R

This matter arises upon the motion of the Louisville Resource Conservation Council ("LRCC") for full intervention. It appears to the Commission that the LRCC has a special interest which is not otherwise adequately represented, and that such intervention is likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. The Commission also recognizes that a procedural schedule was established in this proceeding by Order dated December 10, 1999. The Commission, being otherwise sufficiently advised, finds that the LRCC should be granted full rights of a party in this proceeding and should accept the procedural schedule as it now stands.

IT IS HEREBY ORDERED that:

1. The motion of the LRCC to intervene is granted, and the LRCC shall accept the existing procedural schedule.
2. The LRCC shall be entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.

3. Should the LRCC file documents of any kind with the Commission in the course of these proceedings, it shall also serve a copy of said documents on all other parties of record.

Done at Frankfort, Kentucky, this 5<sup>th</sup> day of January, 2000.
