O R D E R

On February 14, 2000, BellSouth Telecommunications, Inc. ("BellSouth") and Alternative Phone, Inc. ("Alternative Phone") submitted to the Commission their negotiated agreement for resale of BellSouth's services to end-users. Included with their agreement were two amendments. The agreement and amendments were negotiated pursuant to the Telecommunications Act of 1996 ("1996 Act"), 47 U.S.C. Sections 251 and 252. Section 252(e) of the 1996 Act requires the parties to an interconnection agreement adopted by negotiation to submit the agreement for approval to the Commission.

The Commission has reviewed the agreement and amendments and finds that no portion thereof discriminates against a telecommunications carrier not a party to the agreement. The Commission also finds that the implementation of this agreement and amendments is consistent with the public interest, convenience, and necessity.

Alternative Phone must comply with all relevant Commission mandates for serving in this Commonwealth.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that:

1. The negotiated agreement and amendments between BellSouth and Alternative Phone are approved.

2. Alternative Phone shall file a tariff for local service prior to providing local service giving 30 days' notice to the Commission and shall comply with all Commission regulations and orders as directed.

3. Within 10 days of the date of this Order, BellSouth shall file with the Commission a true and complete copy of the agreement and amendments approved herein in Microsoft® Word 97 format on 3.5-inch high-density diskette.
