

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT OF ) CASE NO.  
BRACKEN COUNTY WATER DISTRICT ) 2000-096

O R D E R

On March 1, 2000, Bracken County Water District (“Bracken Water”) applied to the Commission for authority to adjust its rates pursuant to the purchased water adjustment procedure. In its application, Bracken Water requested a deviation from Administrative Regulation 807 KAR 5:068, Section 3, which requires, among other things, the submission of a copy of the supplier’s notice of the changed rate and the effective date. Having reviewed the application and being otherwise sufficiently advised, the Commission finds that the requested deviation should be granted. In Case No. 98-497,<sup>1</sup> the Commission authorized an adjustment in the rate that the city of Augusta, Kentucky assesses Bracken Water for wholesale water service rendered on and after February 14, 2000. No need, therefore, exists for confirmation of the rate adjustment or its effective date.

IT IS THEREFORE ORDERED that Bracken Water’s request to deviate from the requirements of Administrative Regulation 807 KAR 5:068, Section 3, is granted.
