In the Matter of:

APPLICATION OF PENDLETON COUNTY	)	
WATER DISTRICT FOR A CERTIFICATE	)	
OF PUBLIC CONVENIENCE AND	)	CASE NO.
NECESSITY TO CONSTRUCT AND	)	2000-151
FINANCE AN IMPROVEMENTS PROJECT	)	

O R D E R

On March 31, 2000, Pendleton County Water District ("Pendleton District") applied to the Commission for authority to construct a waterworks improvement project and to finance said project. In its filing, Pendleton District requested permission to deviate from the requirements of Administrative Regulation 807 KAR 5:001, Sections 6 and 11(2)(c).

Administrative Regulation 807 KAR 5:001, Section 6, requires the submission of a detailed financial exhibit for the period ending not more than 90 days prior to the date of the application. Section 11(2)(c) requires detailed estimates by Uniform System of Accounts account number if property is to be acquired. 807 KAR 5:001, Section 14, provides for a deviation from these regulations upon good cause shown. The information would impose an undue burden upon Pendleton District. Due to the fact that Pendleton District has not requested any rate increase in connection with this project or the proposed financing, the Commission finds that the information filed herein is sufficient to enable the Commission to review adequately Pendleton District's filing. Therefore, its request to deviate from the above-cited regulations should be granted.

IT IS THEREFORE ORDERED that Pendleton District's request to deviate from the requirements of 807 KAR 5:001, Sections 6 and 11(2)(c), is granted.

Done at Frankfort, Kentucky, this 19<sup>th</sup> day of April, 2000.
