

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF BLUE GRASS ENERGY)
COOPERATIVE CORPORATION TO ADJUST) CASE NO. 2000-414
ITS CATV ATTACHMENT RATES AND)
OTHER MISCELLANEOUS CHARGES ON)
OCTOBER 1, 2000)

O R D E R

On August 29, 2000, Blue Grass Energy Cooperative Corporation (“Blue Grass”) tendered for filing an application requesting an adjustment in its recurring CATV attachment rates and certain non-recurring miscellaneous charges. A review of the application and the Commission’s filing requirements reveals a deficiency under 807 KAR 5:001, Section 10(4), by not stating the method used to notify customers of the proposed rate changes and not stating the dates of customer notification. In addition, the Commission notes that the application has not been signed by an attorney licensed to practice law within the Commonwealth of Kentucky. Since Blue Grass is a corporation and the filing of an application with this Commission constitutes the practice of law, Blue Grass must be represented by an attorney to proceed with this application.

Blue Grass has also requested the Commission to waive numerous filing requirements applicable to applications to adjust recurring rates. Under the circumstances of this case, the Commission finds good cause to grant waivers to the following filing requirements under 807 KAR 5:001, Section 10: (1)(b)5--Certificate of Corporate Good Standing; (2)--Four Weeks Advance Notice of Filing; (6)(b) &

(c)--Prepared Testimony; (6)(e)--Effect of Proposed Change on Average Bill of Each Customer Classification; (6)(g)--Billing Analysis; (6)(h)--Summary Determination of Revenue Requirements; (6)(i)--Reconciliation of Rate Base and Capital; (6)(j)--Current Chart of Accounts; (6)(k)--Independent Auditor's Annual Report; (6)(n)--Summary of Latest Appreciation Study; (6)(q)--Annual Report to Members; (6)(r)--Monthly Managerial Reports; (6)(t)--Details of Affiliate Allocated Charges; (6)(u)--Cost-of-Service Studies; (7)(b)--Capital Construction Budget; (7)(d)--Monthly Operating Budgets; and (7)(e)--Test Year Customer Growth and Revenue Impact.

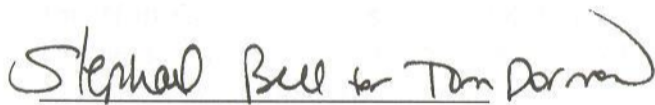

IT IS THEREFORE ORDERED that:

1. Within 10 days of the date of this Order, Blue Grass shall cure the filing deficiency under 807 KAR 5:001, Section 10(4), and shall have its attorney file a notice of entry of appearance.
2. The request for waivers of the filing requirements enumerated above is granted.

Done at Frankfort, Kentucky, this 29th day of September, 2000.

By the Commission
