

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

NOTICE OF PURCHASED GAS)
ADJUSTMENT FILING OF COLUMBIA) CASE NO. 94-179-AA
GAS OF KENTUCKY, INC.)

ORDER

On November 1, 1994, in Case No. 94-179, the Commission approved certain adjusted rates for Columbia Gas of Kentucky, Inc. ("Columbia") and provided for their further adjustment on a quarterly basis in accordance with Columbia's gas cost adjustment ("GCA") clause.

On March 30, 2001, Columbia filed its GCA to be effective May 1, 2001 to May 31, 2001.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Columbia's notice proposed revised rates designed to pass on its expected increased wholesale gas costs to its customers. Columbia's proposed expected gas cost ("EGC") for the period beginning May 1, 2001 is \$8.2943 per Mcf, an increase of 58.83 cents per Mcf from Columbia's last EGC of \$7.7060.

2. Columbia's notice set out a rate for Banking and Balancing Service of 2.08 cents per Mcf.

3. Columbia's notice set out no take-or-pay refund adjustment.

4. Columbia's notice set out no transportation take-or-pay refund adjustment.
5. Columbia's notice set out no current quarter refund adjustment ("RA").

The total RA of .88 cents per Mcf reflects previous quarter adjustments.

6. Columbia's notice set an annual actual cost adjustment ("ACA") of 59.91 cents per Mcf to collect under-recovered gas cost from the 12 months ended June 30, 2000.

7. Columbia's notice set out its 6-month balancing adjustment ("BA") of 5.56 cents per Mcf to reconcile variances from previous refund and balancing adjustments. This represents no change from the previous rate.

8. Columbia's notice set out a Special Agency Service refund adjustment of 0 cents per Mcf. This represents no change from the prior rate.

9. The combined effect of the above adjustments is Columbia's gas cost recovery rate ("GCR") of \$8.9402 per Mcf, which is 58.83 cents per Mcf more than its previous GCR of \$8.3519 per Mcf.

10. The rate adjustments in the Appendix to this Order are fair, just, and reasonable, are in the public interest, and should be approved for gas supplied on and after May 1, 2001.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix to this Order are fair, just, and reasonable, and are effective for gas supplied on and after May 1, 2001.

2. Within 30 days of the date of this Order, Columbia shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 30th day of April, 2001.

By the Commission
