O R D E R

On May 19, 2000, the Commission issued its final Order on rehearing in the instant proceeding. Ordering paragraph 5 of that Order requires Columbia Gas of Kentucky, Inc. ("Columbia") to provide certain information to the Commission regarding marketers approved to participate in Columbia's Customer Choice program. The Commission finds that additional information is necessary in order for the Commission to be fully informed regarding the operations of the program. Specifically, the Commission finds that a current listing of rates that approved marketers are offering to consumers under the terms of the Customer Choice program should be provided to the Commission by Columbia on the first business day of each month during the term of the program.

IT IS THEREFORE ORDERED that Columbia shall file, on the first business day of each month during the term of the Customer Choice program, a current schedule of the rates being offered by each approved marketer as of the filing date.

Done at Frankfort, Kentucky, this 8<sup>th</sup> day of January, 2001.
