On November 10, 1999, Crown Communication, Inc. and Kentucky CGSA, Inc., d/b/a BellSouth Mobility, Inc. (collectively, the "Applicants") filed an application with the Commission requesting a Certificate of Public Convenience and Necessity to construct and operate a wireless telecommunications facility at Levee Road, Highway 11, Mt. Sterling, Montgomery County, Kentucky. On March 7, 2000, the Applicants moved to continue generally the public hearing to enable them to make additional collocation analyses to determine whether the needs of the providers could be met by an alternate facility in the vicinity. The motion was granted.

On January 4, 2001, the Applicants filed a motion to withdraw their application without prejudice. The Commission finds that the motion to withdraw should be granted.

Accordingly, IT IS HEREBY ORDERED that this application be withdrawn without prejudice.

Done at Frankfort, Kentucky, this 17th day of January, 2001.
