Delta Natural Gas Company ("Delta") has moved for an extension of time in which to take depositions in this matter. In support of its motion, Delta states that the Defendant has requested that previously scheduled depositions be rescheduled and has agreed to the taking of depositions on February 16, 2001.

Finding that the requested extension will not unduly interfere with the established procedural schedule in this matter and that cause exists to grant the motion, the Commission HEREBY ORDERS that Delta's motion for an extension of time is granted and that the parties to this matter shall have until February 16, 2001 to take depositions in this matter.

Done at Frankfort, Kentucky, this 13th day of February, 2001.
