

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE ALTERNATIVE RATE)	
FILING OF LAKE COLUMBIA)	CASE NO. 2000-458
UTILITIES, INC.)	

O R D E R

On October 27, 2000, Lake Columbia Utilities, Inc. ("Lake Columbia") filed its application for Commission approval of proposed sewer rates pursuant to 807 KAR 5:076. On June 18, 2001, Lake Columbia requested an informal conference with Commission Staff. An informal conference was held with Staff, the AG, and intervenors on July 10, 2001. Lake Columbia agreed to provide supplemental information in response to its comments to the Staff Report. Lake Columbia also agreed to provide documents indicating a correct customer count, along with the status on any customers receiving free or reduced-price service. Those documents should be filed by July 24, 2001. Based upon that customer count being filed by Lake Columbia, the AG indicated he may withdraw his request for a formal hearing. For that reason, and based upon the time necessary to review any supplemental information, the scheduled formal hearing should be canceled pending the Commission's determination of the need for a formal hearing.

The Commission, being otherwise sufficiently advised, HEREBY ORDERS that the formal hearing set for July 26, 2001 is canceled subject to further Orders of the Commission.

Done at Frankfort, Kentucky, this 23rd day of July, 2001.

By the Commission
