O R D E R

By letter dated January 2, 2001, Ernest Green, the Intervenor, requested correspondence, maps and other documents related to the site at issue and the proposed tower's affecting land use and values and information regarding the Applicants' efforts to collocate. Mr. Green also requested that the Commission deny the Applicants' motion to expedite and that the Commission, instead, grant a continuance of the March 14, 2001 hearing of this matter. As grounds, Mr. Green states that he needs time to review the material he requested prior to the hearing.

On January 9, 2001, the Applicants filed a letter requesting a continuance of the March 14, 2001 hearing of this matter. As grounds for their request for a continuance, Applicants stated that on March 14, 2001 their counsel would be at a previously scheduled out-of-state seminar. The Applicants also filed a statement that they would provide Mr. Green access to the application.

Based upon the foregoing, and the Commission being otherwise sufficiently advised, IT IS HEREBY ORDERED that:

1. The Intervenor, Ernest L. Green, shall be granted access to review the application in this case.

2. The Applicants shall provide a copy to Mr. Green of all information in their possession requested by Mr. Green in his January 2, 2001 letter.

3. The parties stated compelling reasons for their motion for continuance, and therefore, the motions are granted. This matter shall be set for hearing on April 18, 2001, at 9:00 a.m., Eastern Standard Time, in the Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky.

4. All previous Orders in this case, unless specifically overruled in this Order, are in full force and effect.

Done at Frankfort, Kentucky, this 16th day of January, 2001.

By the Commission
