On March 28, 2001, Crown Communication, Inc. and NPCR, Inc. (“Applicants”), filed a motion to withdraw this case from the hearing docket. As grounds for this motion, the Applicants stated that they are in the process of attempting to secure the rights to construct the facility at a site identified by the Intervenor, Ernest Green. The Applicants state that they will be unable to determine the suitability of the proposed site before the hearing of this matter on April 18, 2001. Should the Applicants determine that the site is feasible, they will amend their petition. However, should the Applicants determine that the site is not viable, or should they be unable to secure the right to construct on the property, they will file a motion to set the matter for hearing. Mr. Green has filed no response to this motion.

Based upon the foregoing, and the Commission being otherwise sufficiently advised, IT IS HEREBY ORDERED that the hearing of this matter set for April 18, 2001 is canceled.

Done at Frankfort, Kentucky, this 9th day of April, 2001.
