

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

JOINT APPLICATION OF LOUISVILLE GAS)
AND ELECTRIC COMPANY AND KENTUCKY)
UTILITIES COMPANY FOR AN ORDER) CASE NO. 2000-528
SUSPENDING THE REQUIREMENT TO FILE)
A RATE UNBUNDLING STUDY)

O R D E R

By Order dated April 27, 2001, the Commission directed Louisville Gas and Electric Company and Kentucky Utilities Company ("Joint Applicants") to file rate unbundling studies with the Commission within 60 days from the date of its Order. On June 22, 2001, Joint Applicants filed a motion requesting a 30-day extension of time, until July 26, 2001, in which to file the required studies. The motion indicates work on the studies is near completion, but that additional time is required for internal review of the studies by Joint Applicants prior to the studies being filed with the Commission. In the motion Joint Applicants commit that they will not make any requests for further extensions of time.

The Commission, having considered the motion, finds that good cause has been shown to grant Joint Applicants' request for a 30-day extension, until July 26, 2001, in which to file their respective rate unbundling studies.

IT IS THEREFORE ORDERED that Joint Applicants' motion for an extension of time until July 26, 2001, to file their respective rate unbundling studies with the Commission is granted.

Done at Frankfort, Kentucky, this 2nd day of July, 2001.

By the Commission
