On December 4, 2000, Barkley Lake Water District ("Barkley Lake") tendered for filing an application to approve the issuance of securities in the approximate amount of \$1,010,000 for the purpose of financing expansions and improvements to its water distribution system. The application did not provide all the information required by the applicable statutes and regulations and on January 9, 2001, Barkley Lake was requested to file the necessary information within 15 days. Barkley Lake did not file the information by the date specified and since January 9, 2001 has requested and been granted several extensions. The last request was made on April 13, 2001. In that request Barkley Lake asked for an additional 120 days to file the information. By letter issued on April 30, 2001, the request was denied and Barkley Lake was advised that if the information was not filed within 10 days, its application would be dismissed without prejudice. Barkley Lake has not filed the information and, in accordance with the letter of April 30, 2001, the application should be dismissed and removed from the Commission's docket.

This Commission, being otherwise sufficiently advised, HEREBY ORDERS that:

1. The application filed by Barkley Lake on December 4, 2000 for approval of financing is hereby dismissed without prejudice and ordered removed from the docket.
2. The dismissal of the application shall not affect the right of Barkley Lake to renew its application at any future time that it deems appropriate.

Done at Frankfort, Kentucky, this 24th day of May, 2001.
