

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION FOR APPROVAL OF CERTAIN CHANGES )	
IN CERTIFIED SERVICE TERRITORY, AS AGREED TO )	CASE NO.
BETWEEN KENTUCKY UTILITIES COMPANY AND )	2001-043
SHELBY ENERGY COOPERATIVE, INC. )	

O R D E R

On February 22, 2001, Kentucky Utilities Company ("KU") filed an application for approval of an agreement with Shelby Energy Cooperative, Inc. ("Shelby Energy") to change the electric territorial boundary for the Clore property in Shelby County.

The proposed changes will realign the electric boundary with property lines. KU filed an agreement signed by KU and Shelby Energy describing the boundary changes. A subdivision map and the affected "Eminence" topographic quadrant map reflecting the boundary changes were filed and signed by KU and Shelby Energy. No existing customer will be reassigned to a different electric supplier as a result of the proposed territorial boundary changes.

Based on the application and being advised, the Commission finds that the proposed boundary changes will prevent wasteful duplication of facilities, avoid unnecessary encumbering of the landscape, minimize disputes between KU and Shelby Energy, and provide adequate and reasonable service to all affected areas.

IT IS THEREFORE ORDERED that the boundary changes as agreed upon by KU and Shelby Energy for the Clore property in Shelby County are approved.

Done at Frankfort, Kentucky, this 23<sup>rd</sup> day of March, 2001.

By the Commission
