O R D E R

On July 6, 2001, American Towers, Inc. (“American Towers”) and Tritel Communications, Inc. and Tritel Finance, Inc. (both “Tritel”) (collectively “Applicants”) filed an application with the Commission requesting a Certificate of Public Convenience and Necessity to construct and operate a wireless telecommunications facility at Alvaton, Warren County, Kentucky.

On August 6, 2001, Applicants filed a motion to remove Tritel as a co-applicant in this matter. American Towers stated that Tritel wants to withdraw and that Nextel Partners, Inc. (“Nextel”) intends to collocate upon the facility. An Order was entered incorporating Nextel as a co-applicant.

On September 10, 2001, upon the motion of American Towers, the Commission modified its Order of August 23, 2001, removing Nextel as the co-applicant for procedural reasons, and holding the case in abeyance for 60 days from the date of the

Order. However, on October 3, 2001, an Order was issued which granted American Towers a Certificate of Public Convenience and Necessity to construct and operate a wireless telecommunications facility at Alvaton, Warren County, Kentucky.

The Commission, upon its own motion and noting the inconsistency between its prior Orders, finds that the Order of October 3, 2001 should be revoked. Being sufficiently advised, the Commission HEREBY ORDERS that:

1. The Order dated October 3, 2001 granting American Towers a Certificate of Public Convenience and Necessity to construct and operate a wireless telecommunications facility at Alvaton, Warren County, Kentucky is revoked.

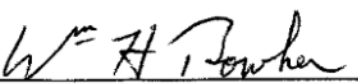

2. This case shall continue to be held in abeyance for 60 days from September 10, 2001.

3. If American Towers takes no further action within the 60-day period, this case shall be dismissed without prejudice and removed from the Commission's docket.

Done at Frankfort, Kentucky, this 11th day of October, 2001.

By the Commission
