

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT OF) CASE NO.
PENDLETON COUNTY WATER DISTRICT) 2000-00295

O R D E R

On July 10, 2000, the Commission entered an Order in this case approving an increase to Pendleton County Water Districts (Pendleton) rates pursuant to the purchased water adjustment (PWA) procedure. KRS 278.015 and 807 KAR 5:068. The purchased water adjustment procedure permits a water district to automatically pass through any change in its purchased water cost. The change in Pendleton s purchased cost resulted in an increase of \$0.06 per 1,000 gallons of water in Pendleton s retail rates. In our Order, we inadvertently reduced the usage blocks in Pendleton s third and fourth rate steps for 5/8 inch through 2 inch meters. Pendleton did not request such changes nor does KRS 278.015 permit such change.

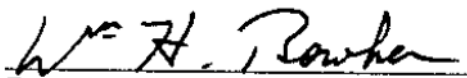

IT IS THEREFORE ORDERED, to be entered nunc pro tunc, that:

1. The rates and charges in Appendix A are approved for service that Pendleton rendered on and after July 17, 2000.
2. Within 30 days of the date of this Order, Pendleton shall file revised tariff sheets setting out the charges approved in this Order.

Done at Frankfort, Kentucky, this 20th day of May, 2002.
