An informal conference was conducted on February 20, 2002. Present were the Commission Staff, the Intervenor, Robert R. Sharp and LaRue A. Sharp (husband and wife), Attorney Sandra Keene, and three additional representatives of the Applicant. The discussion centered around the concerns and questions posed by the Intervenor. It is unclear from the record whether the Intervenor wish to continue active opposition to the proposed construction.

If the Intervenor wish to appear at a public hearing in opposition to the application and the proposed facility, they must, within 10 days of the date of this Order, so notify the Commission in writing, with a copy to all parties of record. If no statement of intent to appear at hearing and present evidence against the proposed facility is received by that date, the matter will be submitted to the Commission for a decision based upon the written record without further Order herein.

Done at Frankfort, Kentucky, this 17th day of April, 2002.
