ALLEGED VIOLATION OF KRS 278.020

<u>ORDER</u>

Carroll County Water District No. 1 (Carroll District) is a water district organized

pursuant to KRS Chapter 74, that owns and operates facilities used in the distribution of

water to the public for compensation.

Par-Tee LLC is a Kentucky Limited Liability Company that, prior to October 12,

2000, owned and operated facilities used in the distribution of water to the public for compensation.

On October 12, 2000, Par-Tee transferred its water distribution lines to Carroll District without obtaining the approval of this Commission as required by KRS 278.020(4) and (5).

On September 28, 2001, the Commission entered an Order establishing this case and directing the named parties, all of whom are either owners or the general manager of Par-Tee, or commissioners or the general manager of Carroll District, to show cause why they should not be subject to the penalties of KRS 278.990 for failing to comply with the provisions of KRS 278.020(4) and (5).

On November 19, 2001, an informal conference was held pursuant to the separate requests of the parties. During the informal conference, Carroll District and Par-Tee admitted the violations and entered into negotiations with Commission Staff to resolve all outstanding issues in this proceeding. Agreement was reached on settlement, which was subsequently reduced to writing and executed for Commission approval. Copies of the agreements are appended hereto.

In reviewing the Settlement Agreements, the Commission has considered, *inter alia*, the circumstances surrounding the alleged violations and the extent to which each party was responsible for the violation.

The Commission finds that the Settlement Agreements are in accordance with the law, do not violate any regulatory principle, result in a reasonable resolution of this case, and are in the public interest.

IT IS THEREFORE ORDERED that:

1. No formal hearing shall be held in this case.

2. The Settlement Agreements, appended hereto, are incorporated into this Order as if fully set forth herein.

3. The terms and conditions set forth in the Settlement Agreements are adopted and approved.

4. Upon the payment of the penalties as set out in the Settlement Agreement, this case shall be removed from the Commission s docket.
