COMMISSION STAFF S FIRST SET OF INTERROGATORIES
AND REQUESTS FOR PRODUCTION OF DOCUMENTS
TO OLDHAM COUNTY WATER DISTRICT

Pursuant to Administrative Regulation 807 KAR 5:001, Commission Staff requests that Oldham County Water District ("Oldham District") file the original and 8 copies of the following information with the Commission within 20 days, with a copy to all parties of record. Each copy of the information requested shall be placed in a bound volume with each item tabbed. When a number of sheets are required for an item, each sheet should be appropriately indexed, for example, Item 1(a), Sheet 2 of 6. Include with each response the name of the witness who will be responsible for responding to questions relating to the information provided. Careful attention shall be given to copied material to ensure its legibility. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request.

1. Provide Oldham District s Wellhead Protection Plan.
2. Provide all correspondence between Oldham District and the Kentucky Natural Resources and Environmental Protection Cabinet (NREPC) regarding Oldham District s Wellhead Protection Plan.

3. Provide the minutes of each meeting of Oldham District's Board of Commissioners in which Oldham District's Wellhead Protection Plan was discussed.
4. Describe the process that Oldham District used to develop its Wellhead Protection Plan.
5. State the names and positions of each person involved in the development of Oldham District's Wellhead Protection Plan.
6. Provide a map of Oldham District's service area that shows the boundaries of each of Oldham District's Wellhead Protected Areas.
7. Provide a map of Oldham District's Wellhead Protected Areas and indicate on this map the portion of the area(s) that Oldham District owns.
8. Provide all correspondence between Oldham District and any local planning and zoning commission(s) regarding restrictions on the use of property within Oldham District's Wellhead Protected Areas or the required construction of additional facilities such as a sewage treatment facility.
9. List and describe each meeting between officials of Oldham District and any local planning and zoning commission(s) regarding restrictions on the use of property within Oldham District's Wellhead Protected Areas or the required construction of additional facilities such as a sewage treatment facility.
10. Provide all correspondence between Oldham District and the Oldham County Health Department regarding Oldham District's Wellhead Protection Plan or the presence of septic systems within Oldham District's Wellhead Protected Areas.

11. Provide all correspondence between Oldham District and all local and state governmental officials, other than listed in Interrogatories 2, 8 and 10, in which Oldham District's proposed Wellhead Protection Plan is discussed.

12. Identify all other public water utilities in Kentucky that currently require compliance with a wellhead protection plan as a condition for receiving water service.

13. State the reasons why Oldham District believes the proposed rule is necessary.

14. List and describe all alternatives to the proposed rule that Oldham District considered prior to adopting the proposed rule. For each alternative, state why the alternative was not chosen.
