O R D E R

On November 5, 2001, Matriks Energy, LLC ( Matriks ) filed a proposed tariff to include non-recurring charges for tap fees, cash deposits and re-connect fees in its rates. On November 30, 2001, the Commission established a proceeding to investigate the reasonableness of Matriks proposed tariff revisions. On December 7, 2001, Matriks submitted an updated tariff to revise its tariff filing to comply with 807 KAR 5:006, Section 7.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that Matriks revised tariff filing is consistent with the Commission s statutes and regulations and should therefore be approved.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix to this Order are approved as of the date of this Order.
2. Within 30 days of the date of this Order, Matriks shall file with this Commission its revised tariffs setting out the rates authorized herein.
