O R D E R

On September 19, 2003, the Commission granted Northern Kentucky Water District (Northern Kentucky) a 60-day extension of time (until November 21, 2003) in which to file its amended cross-connection policy.

The Kentucky Rural Water Association (KRWA) has contacted Commission Staff regarding the pending filing of Northern Kentucky s amended cross-connection policy. KRWA has informally requested a conference with all parties to discuss the proposed filing.

The Commission finds that good cause exists to extend the time in which Northern Kentucky shall file its amended cross-connection policy and thereby enable Commission Staff to meet with KRWA and Northern Kentucky to discuss the same.

IT IS THEREFORE ORDERED that:

1. Northern Kentucky shall file its amended cross-connection control policy with the Commission no later than 60 days after the date of this Order.
2. Commission Staff shall arrange a mutually convenient date and time to conduct an informal conference with the parties in this case.

Done at Frankfort, Kentucky, this 25th day of November, 2003.

By the Commission
