AVERAGE ANNUAL BILL)

O R D E R

On October 21, 2002, Rockcastle Water Association filed with the Commission revisions to its tariff to increase a customer s deposit to three-twelfths (3/12) of a customer s average annual bill.

The Commission found that, pursuant to KRS 278.190, further proceedings were necessary in order to determine the reasonableness of the proposed revisions. Rockcastle Water Association did not provide sufficient information to support its revisions. Accordingly, the proposed revision did not become effective pending final action by the Commission.

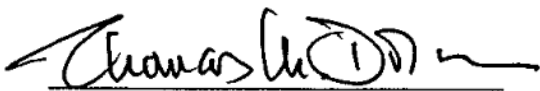

On March 5, 2003, Rockcastle Water Association filed with the Commission a request to withdraw its application to amend its tariff. Rockcastle Water also stated that it wanted no further action in this matter.

IT IS HEREBY ORDERED that this proceeding is dismissed and Rockcastle Water Association s proposed tariff revisions are withdrawn.

Done at Frankfort, Kentucky, this 21st day of March, 2003.
