COOPERATIVE CORPORATION FROM)

2002)	

O R D E R

Pursuant to Administrative Regulation 807 KAR 5:056, the Commission on December 11, 2002 established this case to review and evaluate the operation of the fuel adjustment clause (FAC) of Licking Valley Rural Electric Cooperative Corporation (Licking Valley) for the 2 years ended October 31, 2002.

As part of this review, the Commission ordered Licking Valley to submit certain information and an affidavit attesting to its compliance with Administrative Regulation 807 KAR 5:056. Licking Valley has complied with this Order. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that:

1. Licking Valley has complied in all material respects with the provisions of Administrative Regulation 807 KAR 5:056.

2. East Kentucky Power Cooperative, Inc. (EKPC), the wholesale supplier of Licking Valley, has been authorized to transfer (roll-in) a 2.31 mills per KWH increase in the base fuel cost to its base rates.¹

3. Licking Valley should be authorized to transfer (roll-in) a 2.47 mills per KWH increase in its base fuel costs to its base to reflect, as adjusted for line loss, the transfer of a 2.31 mills per KWH increase in EKPC s base rates. This transfer can best be accomplished by an energy adder to each KWH sold.

4. The rates and charges in Appendix A, attached hereto and incorporated herein, are fair, just, and reasonable, and reflect the transfer of fuel costs from the FAC to the base rate.

IT IS THEREFORE ORDERED that:

1. The charges and credits applied by Licking Valley through the FAC for the period November 1, 2000 to October 31, 2002 are approved.

2. Licking Valley is authorized to transfer to base rates those fuel costs (as adjusted for line-loss) rolled in by EKPC from its FAC to its base rates.

3. The rates in Appendix A are approved for service rendered by Licking Valley on and after May 1, 2003, the effective date of EKPC s change in rates.

4. Within 30 days of the date of this Order, Licking Valley shall file with the Commission revised tariff sheets setting out the rates approved herein.
