COMMISSION STAFF S INTERROGATORIES AND REQUESTS
FOR PRODUCTION OF DOCUMENTS TO
OWEN ELECTRIC COOPERATIVE, INC.

Pursuant to 807 KAR 5:001, Commission Staff requests that Owen Electric Cooperative, Inc. (Owen) file the original and 8 copies of the following information with the Commission no later than February 10, 2003, with a copy to all parties of record. Each copy of the information requested should be placed in a bound volume with each item tabbed. Careful attention should be given to copied material to ensure its legibility. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request.

1. Refer to Item 5 of Owen s Response to the Commission s Order of December 11, 2002, the schedule of present and proposed rates.
 - a. Explain why Owen is not proposing to increase the rates for security lighting when all other rates on this schedule are being increased.
 - b. Provide a revised schedule of present and proposed rates that apportions Owen s increase in wholesale power costs among all rates, including its rates for security lights.

2. Refer to Item 6 of Owen's Response to the Commission's Order of December 11, 2002 at pages 3 - 6. Owen proposes to increase, by the full amount of its fuel cost increase, the rates for Schedule I-A, Farm and Home Off-Peak Marketing Rate, and Schedule I, Farm and Home T-O-D Experimental Residential Service Time of Day, by .00242 per kWh. Explain why Owen proposes to increase those rates by this amount rather than set those rates at the Schedule I Farm and Home rate less 40 percent, which is the description of those rates contained in Owen's tariff.
