

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF KENERGY)
CORP. FOR REVIEW AND) CASE NO. 2003-00165
APPROVAL OF EXISTING RATES)

O R D E R

On May 16, 2003, Kenergy Corp. (Kenergy) filed a notice of intent to file a rate application and requested permission to use an abbreviated form of customer notice pursuant to 807 KAR 5:001, Section 10(3)(i). Kenergy states that its rate application is being filed pursuant to a prior Commission Order, that it will not be proposing any changes to existing rates, and, therefore, it should not be required to publish its existing rates. Kenergy also tendered a copy of its proposed customer notice.

The Commission, having considered Kenergy's request, hereby finds that an abbreviated form of customer notice is appropriate since Kenergy is not proposing to change any existing rates. Kenergy's proposed customer notice is reasonable except that the second paragraph of such notice should be revised to state that, The rates contained in the application are Kenergy's current rates and no changes are proposed; however, the Kentucky Public Service Commission may order rates to be charged that differ from the rates contained therein.

IT IS THEREFORE ORDERED that Kenergy's request to publish an abbreviated customer notification is approved as provided in the findings above.

Done at Frankfort, Kentucky, this 13th day of June, 2003.
