

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE TARIFF FILING OF SALT RIVER ELECTRIC)	
COOPERATIVE CORPORATION TO INCLUDE)	CASE NO.
RECOVERY OF DEBT COLLECTION EXPENSE)	1995-00590

O R D E R

On January 3, 1996, the Commission approved a tariff change proposed by Salt River Electric Cooperative Corporation ("Salt River") that provided that delinquent customers would be responsible for all costs incurred in collecting the indebtedness. As part of the approval of the tariff change, the Commission required Salt River to file semi-annual reports containing certain information¹ relating to the collection of its delinquent accounts. Salt River has consistently complied with the reporting requirement since the approval of the tariff change.

Salt River submitted its most recent report to the Commission on January 21, 2004. The Commission has reviewed the current report and the reasons the information was originally sought, and finds that it is no longer necessary for Salt River to make the semi-annual report filing as required by the January 3, 1996 Order. However, discontinuing the filing of the semi-annual report does not relieve Salt River of its reporting obligations under 807 KAR 5:006(3)(3).

¹ Salt River was to furnish the number of accounts terminated for nonpayment; the number of accounts collected due to Salt River's own collection efforts; the number of accounts turned over to a collection agency; the dollar amount of the accounts turned over to a collection agency; and the dollar amount collected by the collection agency.

IT IS THEREFORE ORDERED that the semi-annual reporting requirement contained in the January 3, 1996 Order is no longer necessary and the reporting requirement is hereby terminated.

Done at Frankfort, Kentucky, this 19th day of March, 2004.
