

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE TARIFF FILING OF OLDHAM COUNTY)
WATER DISTRICT'S CONDITIONS FOR) CASE NO. 2003-00330
RECEIVING WATER SERVICE IN ITS)
WELLHEAD PROTECTION AREAS)

O R D E R

On January 15, 2004, Oldham County Water District ("Oldham District") filed with the Commission a motion for an extension of 30 days in which to file its response to a Commission Staff data request. As grounds for its motion, counsel claims he did not receive the data request until January 12, 2004, and the response is due January 17, 2004. Moreover, counsel states that travel conflicts will prohibit him from acquiring the required information from his client and, thus, prevent him from timely filing the response. Oldham District states that it will file the response with the Commission before February 16, 2004.

The Commission finds that because prior conflicts exist that prevent Oldham District from filing its response in time, good cause exists to grant the extension.

IT IS THEREFORE ORDERED that Oldham District's motion is granted and its response to Commission Staff's data request is due no later than February 16, 2004.

Done at Frankfort, Kentucky, this 20th day of January, 2004.
