BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

COMPANY AND LOUISVILLE GAS AND	)	CASE NO.

LOAD CUSTOMERS	)	

O R D E R

On February 11, 2004, Louisville Gas and Electric Company and Kentucky Utilities Company ("LG&E/KU") filed a motion for an extension of time to submit data requests to North American Stainless ("NAS"). LG&E/KU state that the personnel responsible for reviewing and analyzing NAS's testimony are involved in responding to extensive data requests in the pending LG&E/KU rate cases. The additional time requested would allow LG&E/KU to submit the data requests that were due February 10, 2004, not later than February 13, 2004. LG&E/KU's motion indicates that NAS is agreeable to the extension on the condition that it be provided a corresponding amount of additional time to file its responses to the LG&E/KU data requests.

The Commission, based on the motion and being otherwise sufficiently advised, finds that:

1. LG&E/KU's motion for an extension of time to submit data requests to NAS not later than February 13, 2004 should be granted.
2. NAS should be granted 3 calendar days, beyond the February 20, 2004 due date set forth in the current procedural schedule, to submit its responses to the LG&E/KU data requests.

IT IS THEREFORE ORDERED that LG&E/KU's motion for an extension of time to submit data requests to NAS is granted and that NAS shall have until February 23, 2004 to submit responses to the LG&E/KU data requests.

Done at Frankfort, Kentucky, this 13<sup>th</sup> day of February, 2004.
