Dear Mr. Dorman:

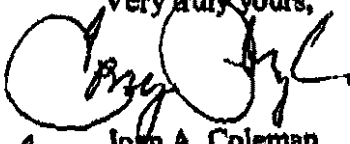

Pursuant to the Kentucky PSC's May 20, 2003 order in KY PSC Case No. 2002-0310, BellSouth is providing advance notice to the Kentucky Public Service Commission (PSC) of BellSouth's intent to disconnect Smart-Tel Communications for non-payment.

BellSouth's records indicate that Smart-Tel Communications is delinquent in payment of its bills to BellSouth in the amount of \$5,929.12. Attempts to collect past due amounts from Smart-Tel Communications have been unsuccessful. BellSouth made numerous written notifications to Smart-Tel Communications informing them of BellSouth's intent to suspend or terminate services consistent with the terms and conditions of the Resale Agreement between Smart-Tel Communications and BellSouth. Attached is BellSouth's last written notice to Smart-Tel Communications. On or about January 26, 2004, BellSouth will begin to discontinue services provided to Smart-Tel Communications if payments are not received by January 23, 2004. Disconnection of Smart-Tel Communications services will impact approximately 51 of its Kentucky customers.

Under terms of their Interconnection Agreement, Smart-Tel Communications is solely responsible for notifying its end users of the proposed service disconnection. BellSouth is copying Smart-Tel Communications, Inc. to remind them of their obligation to notify their end users of this situation regarding pending disconnection of services.

Should the Commission determine the need to invoke BellSouth's Emergency Service Continuity Tariff, BellSouth will take steps to notify the affected end users and inform them that they may continue to receive telecommunications services through The Emergency Services Continuity Plan for a minimum of fourteen (14) days and that the end user must transition to a new service provider.

Should you or the staff have any questions concerning this filing or need additional information, Mike Hayden, of my staff, is familiar with this matter and can be reached on (502) 582-8180.

Very truly yours,  
  
Joan A. Coleman

Dear Mr. Ragland:

Attempts to collect past due amounts from Smart-Tel have been unsuccessful and to date full payment has not been received. Smart-Tel's account is currently in default in the amount of \$4,312.90 and subject to disconnection. Pursuant to the Resale Agreement between BellSouth Telecommunications, Inc. and Smart-Tel consider this letter written notice that BellSouth will proceed with the discontinuance of existing services in Kentucky on January 15, 2004. Pursuant to the Agreement, it is Smart-Tel's responsibility to notify its end users of this impending disconnection.

In order to continue services, Smart-Tel must pay, in immediately available funds, the present undisputed balance in the sum of \$4,312.90 to BellSouth. Also, payments are expected for any current bills that may become due. If service is interrupted, full non-recurring charges will be applicable to reestablish service.

If you have questions regarding your account, please contact the Billing Operations Manager, Leisa Mangina, at (205) 714-7359.

Sincerely,
